

Im Sooi Lean - Corporate Client Director

Tell us about your role

I maintain good relationships with clients, deliver high standard services and keep the team happy and motivated.

I also attend plenty of networking events to generate new business.

Describe WSM in three words

Professional, expertise and trusted.

How have you been developed since working at WSM?

I have gained confidence dealing with clients, colleagues and new contacts and I have been given the opportunity to develop my team leadership, teamwork and delegation skills, I have also improved my technical abilities through generous training provided here.

How would you describe the culture at WSM?

The firm demonstrates its corporate responsibility towards our local communities and to employees.

What is the best thing about working about working for WSM?

It is a Pleasant and friendly open-plan working environment, with generous training support.

What do you like most about working in Wimbledon?

Easy commute to London, vibrant town centre-plenty of places to drink and eat with colleagues and for client entertaining. Proud to be in the 'home of tennis'

What inspires you to succeed every day?

Happy, satisfied clients and a happy team at WSM.
